

TRANSFORMING

CHILDREN'S LIVES

**Faith in
Action**
Community Development

Education can change everything - transform a child's life and help their entire community.

We give thanks this Christmas for Isaiah Nursery & Primary School - a special place for nearly 140 children in Katete, Uganda.

Thanks to your support and donations to Faith in Action Community Development, 'Isaiah' school is going from strength to strength, and it will soon be celebrating its first birthday!

'Isaiah' school is in Katete, Uganda, where most of the adults cannot read or write and have very little money. Schooling used to take place under temporary shelters, so not many children could come. They also leaked in the rainy season. But now, thanks to you, 136 children aged 4-11 enjoy bright, dry, fully equipped classrooms.

The children go to 'Isaiah' school every day, enjoying lessons, games and playtime fun. They also learn important life skills, such as cooking and taking care of their health. In fact, all the children recently had their measles vaccinations.

'Isaiah' school is now stable and growing, educating the poorest children. But in the near future, as it attracts more children without access to education, 'Isaiah' school will need new teachers and buildings, as well as sponsorship for the poorest children. 'ISAIAH' CONTINUES TO NEED OUR - YOUR - HELP.

The previous 'school classrooms' were small, dark and makeshift, and leaked in the rainy season.

But now the children have four new, fully equipped classrooms (that are dry!). There are also toilets, a kitchen and teachers' accommodation.

Some children lunch on rice and beans, others can only afford a little milk.

Fun in science!

Feeling proud wearing uniforms from Claygate Primary School!

Please help transform more children's lives through education

It costs just £10 a month to educate a child at 'Isaiah' school - and we would like even more children from Katete, Uganda and its surrounding areas to have access to schooling. For this to happen, we need to train more teachers, build more classrooms and sponsor the poorest children.

If you are willing to give a ONE-OFF or MONTHLY DONATION, or you would like to receive quarterly updates about 'Isaiah' school - please email our Chair of Trustees Linda Morgan on her email below. **Thank you and God Bless.**
